CHARLES E. KRUSE AGRICULTURAL SCHOLARSHIP

The Charles E. Kruse Scholarship has been established to honor this outstanding agricultural leader. Mr. Kruse, a 4th generation farmer from Stoddard County, served in leadership roles throughout his career including President of the Missouri Farm Bureau from 1992-2010. He also served as Director of the Missouri Department of Agriculture and Chief Executive Officer for the North American Equipment Dealers Association.

Kruse, a 1967 graduate of Arkansas State University, majored in agronomy. In 1973, he received his Master of Science Degree in Agronomy from the University of Missouri. He was later appointed by Governor Kit Bond to serve on the University of Missouri Board of Curators.

Kruse was honored many times throughout his career with accolades, degrees and appointments. He also had a distinguished military career during which he achieved the rank of Brigadier General.

To encourage students to pursue degrees, and ultimately careers, in agriculture, the Charles E. Kruse Scholarship will provide financial support for one deserving student annually.
