BALLARD R-II SCHOOL

Fourth Edition, December 19, 2018

From the Superintendent's Desk

Merry Christmas!

Christmas break is here already! Where has the year gone? It has been a great first half of year for me as Superintendent. I have had many learning experiences just as our students have. With the staff and students that we have, it makes things so much easier for everyone involved.

A portion of the following school closing information is repeated from my November article. I want to remind everyone that there are several places to find out if school has been cancelled due to inclement weather. The local TV stations should display this information. KCTV5, KMBC-TV9, FOX4- WDAF-TV and KSHB-TV on channel 41 are all included, as well as their affiliates. That means the following channels should have school closing information: 4, 5, 9, 38, and 41. There are also several radio stations that announce school closings, including KDKD Radio (95.3 FM, 1280 AM, and 104.9 FM) and KMOE (92 FM). A third location for Ballard School closing announcements is our school web site, which is www.ballardr2.net as well as the Ballard Facebook account. Also if you are included in the Remind celly account you will get a text stating the cancellation. Please keep in mind that whether school is cancelled or not, there are always disagreements on the decision. My philosophy on school closings due to weather is quite simple: when in doubt, error on the side of safety, which means cancel. The last thing we want is to risk the safety of the students or staff members here at Ballard. If you have any questions or concerns about this information, please contact me at any time.

We have missed one day of school because of weather. We will use January 21, 2019 as a make up day for the day that was missed.

I would like to thank everyone who made Grandparents' Day a success once again, especially the kitchen crew and, of course, the grandparents who were able to attend. It is very much appreciated. We had a great turn-out and a great meal.

Here is a reminder of a few events coming soon. First, varsity basketball is well under way and we are grateful to those community members who come out and support the Bulldogs. Please continue to support the students of our district.

Another item of interest that I believe the community needs to be aware of is the filing dates for the next School Board election. The filing dates for any individuals interested in running for a Board position are from December 11, 2018 through January 15, 2019. The two seats that will be up for election are currently held by Bryan Borland and Katrina Bergman. The election will be held on April 2, 2019. Filing information and paperwork can be acquired from and returned to Lea Ann Sshulse during school hours (8:00 a.m. - 4:00 p.m.) and up to 5:00 p.m. on January 15th. If interested, you may file during normal school business time. Feel free to contact me or Ms. Schulse if you have any questions about this process.

Principal's Corner

Dear Ballard Families,

The students are very excited as we prepare for our Christmas Break. We are fortunate to have such a great group of students, staff members, and community to help put on a great Christmas Concert, Grandparent Luncheon, Santa's Workshop, and Breakfast with Santa. Our break begins on Thursday, December 20th at 1:05pm and school resumes on Thursday, January 3rd. We are hopeful that the recent blasts of cold weather and snow are not a sign of things to come but we would like to mention that outdoor gear should include: a warm jacket, mittens/gloves, hat/hood, and any other warm items that would be appropriate. If you send the gear,

we will do our best to ensure that they wear it.

It is very possible that there will be more snow/ice days coming soon and there are several places to find out if school has been cancelled due to inclement weather. The local TV stations should display this information. KCTV5, KMBC-TV9, FOX4- WDAF-TV, and KSHB-TV are all included as well as their affiliates. That means that the following channels should have school closing information: 4, 5, 8, 38, and 41. There are also several radio stations that announce school closings, including KDKD Radio (95.3 FM, 1280 AM, and 104.9 FM) and KMOE (92.1 FM). A third location for Ballard School closing announcements is our school website and Facebook page, which is www.ballardr2.net.

WE WILL MISS YOU!

Friday, November 30 was the official last workday for Kerri Loyd as Ballard RII's Bookkeeper. To honor her 26 years of service, the school hosted a Retirement Reception. Family, coworkers, former coworkers and community members came to wish Kerri well and celebrate her years of dedication to the school district. Everyone enjoyed each other's company over finger foods, cake, and punch while they watched a picture slideshow of Mrs. Loyd throughout the decades. In the days prior to the reception, students created cards and other mementos to show their appreciation for Kerri. The staff also put together a gift with the acronym RETIRE. Each letter stood for a different gift.

R: Relax- Gift certificate for a pedicure
E: Enjoy- A cup that said "Old Enough to Retire, Young Enough to ENJOY it."
T: Travel- Travel size accessories
I: Indulge- Chocolate!
R: Read- Amazon Giftcard
E: Eat out- Texas Roadhouse Giftcard

Kerri's dedication to our school district cannot go unnoticed. We all wish her the best of the best, as the adventure of retirement lays ahead of her.

Ballard Students Perform, Christmas from the Past

On Thursday, December 13, the elementary music and band classes and the high school band/chorus, gathered in the gym in front of their friends and family to put on a very enjoyable performance. The students performed a play about the celebration of a Christmas from the past.

Ballard was visited by jesters, musicians, huntsmen, and a special visit from the King and Queen.

The students played and sang many songs, including Good King Wenceslas, Silent Night, and Sing We Now of Christmas. The show was a success over all. Mrs. Lybarger was sure to thank everyone who helped with the program.

Grandparents Come to Ballard

On Friday, December 14, the Ballard School held their annual Grandparent's Luncheon. The lunch began with the dismissing of the elementary to go through the lunch line first with their grandparents. After the elementary finished eating, they were sent to their individual rooms to show their grandparents what they made for them. Then it was the High School student's turn to enjoy the lunch with their grandparents.

The lunch consisted of turkey, mashed potatoes, dressing, green beans, a roll and cake. The sixth grade class was in charge of the drinks and clearing plates when they were finished. They did an amazing job!

The gym was filled with laughter. It was an afternoon of fun and excitement! Thank you for coming to this year's luncheon, the students had a lot of fun.

Fifth grade teacher Kelsi Bergen shared a fun fact with us. She stated that her Grandparents Carol and Wendell Teagarden have been coming to Grandparents lunch since 1992 when her brother Cody Loyd was in kindergarten. They continued coming throughout the years for her, Kyle and Amanda Teagarden. Now they come for Amanda Teagarden, Abby and Lily Bergen.

Amanda shared a special memory of a time when her grandpa had a Doctor's appointment and cancelled it to come to the lunch with her.

Ms. Kabir

What gifts do you think your teacher wants for Christmas and why?.....

I think my teacher wants an assistant 24-7. Because she has to do so much work. I think she also wants a Christmas elf named Jingle. Mostly because she seems to like him or her. I also think she might want a pay raise so she gets paid more. I also think she wants the screen above the smart board removed. She

might want a new Christmas tree that's fake because her old one isn't well. Now that I think of it she might want a bigger desk because hers seems a bit crowded.

From: Owen Meade

I think my teacher would like a necklace so she can look nice. A bracelet so she can look pretty. Hair ties to keep her hair out of her eyes, a coke because she likes it. Chocolate because it is her favorite candy.

From : Harry Greer

I think Ms. Kabir needs a new Christmas tree. I think she needs more dry erase markers for the board. I think she needs more maps. I think she needs a new desk. I think she needs us to beat the reading record. I think she needs a star for the Christmas tree. I think she needs more space at her desk. I think she needs a new pair of scissors.

Shoes for Christmas

From: Nathan Bales

Ms. Kabir wants us to be good, because we don't do that very much. Ms. Kabir wants a new Christmas tree for her classroom for next year, because the tree right now, the branches are really bad. She also wants more lights for her Christmas tree, because she didn't put enough lights on her Christmas tree. Ms. Kabir wants new shoes, because she doesn't have a lot .That's a lie because she has a ton of them. She doesn't even wear them. Ms. Kabir wants more books for her house, because she doesn't have a lot at her house. She doesn't need any at school anyway because we have too many.

Form: Addilynn Engelhardt

I think my teacher wants a retirement for Christmas, because we get in trouble a lot. I also think she wants a Pepsi for Christmas, because I always see her drinking some. I also think she wants a new tree, because the one she has is getting really old it for sure has seen better days. Shell probably need an endless supply of books because she loves them. That what I think Ms. Kabir wants for Christmas.

From: Jacob Eidson

I think Ms. Kabir would want a cat for Christmas, a t-shirt with a cat on it. She wants to see her goddaughter for a gift, an ornament, some money, a surprise party, and a new plant.

From: Zoe Frederick

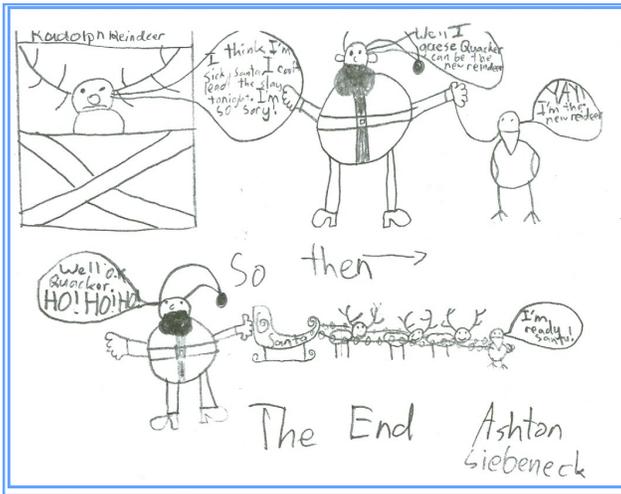

I think my teacher wants a big pack of Pepsi. I think she would like a new tree and some decorations for her room. I think she would love to get a new paint job, and a different theme. For a gift she would like a new fan, new books. I'm pretty sure she will also want a retirement before this year is over.

If I were a gift.....

If I were a gift, I would be a cure for cancer. I would give myself to anyone fighting the disease so they could conquer their fight and go back to living a normal life.

Ms. Eidson

If I were a gift, I would be \$1 Billion. I would give it to everyone who needed it and I would be wrapped purple and green.

Brenden Card

If I were a gift, I would be a cure to diabetes type I. I would donate to St. Jude's cancer treatment hospitals, because it would save lives forever.

Nate Evans

If I were a gift, I would be food. I would be food for the hungry, because they could die of starvation.

Audrey Foster

If I were a gift, I would be a cure for diabetes so they could eat sugar and sweet food. I would give it to people who have diabetes.

Isaiah Maggard

If I were a gift, I would be \$1 million. I would give myself to Ms. Eidson. She needs money and she could get clothes and food, so she could get people like her son Brice the best life she can.

Ethan Kennedy

If I were a gift, I would be a dog toy. I would give it to the dog shelter. I would give it to the shelter because the dogs need to play with toys.

Jon Setzer

If I were a gift, I would be a Google play card. I would give it to Ethan because he wants one. He wants one for his game so he could play on the game as me. It would be fun.

Samuel Setzer

If I were a gift, I would be a toy for all of the Homeless and kids. I would get them a toy because they can't afford anything. So, I would buy them toys.

Thanksgiving break was a blast! And we are all super excited for the end of semester along with Christmas break. Here are a few things we would love for Christmas.....

Destiny Bramell: Anything. I am not picky.

Dale Dowse: Swimming stuff.

Brice Eidson: A monkey so Jailynn can't have one.

Donovan Hinrichs: Money.

Jake Light: Clothes, hunting stuff, and basketball stuff.

Garrett Oerke: New radio for my truck.

Brianna Pray: A new Rubik's cube.

Mrs. Gregory: Books and snow.

Mr. Dunkin: Peace, love, understanding, and a Happy New Year.

Everything English

Mrs. Gregory

Merry Christmas! This, was the last month of both the Novels and Speech classes. We have had a great time reading fun books and nerve-racking time giving speeches. Now we have Creative Writing and Dramatics to look forward to. The Freshman are writing an argumentative essay. The Sophomores have finished up *The Adventures of Tom Sawyer*. Advanced English is having a great time studying poetry. Our college prep class has taken a field trip to the James C. Kirkpatrick library at UCM. It has been a busy month and we are looking forward to Christmas break.

FFA / Ag

Miss LeRosen

The Ballard FFA chapter went to the Shatto Dairy on November 15, 2018. They got to tour the farm and learned the milking process. The students also learned how the milk gets pasteurized, flavored, bottled, and sold. On November 20, 2018 the FFA chapter had a Thanksgiving lunch, all the members brought a dish and they ate together.

In Ag the small engines class is taking apart a weed eater and a chainsaw then reassembling them. Ag Structures is still working on their individual wood projects. Ag Science One is finishing up their SAE unit and building bird houses. Ag Science Two is also still working on their wood projects. Exploratory Ag is finishing up their food processing unit and will start food production and marketing. In Landscape Design the students are creating their own design.

It's All History

Mr. Dunkin

World History will be looking at 400-1300 AD, the Byzantine Empire, and Europe. U.S. History with the Ninth graders, are looking at World War 1. Geography with the Seventh graders, are wrapping up Central America and Caribbean countries. U.S. History with the Eighth graders, are learning about the U.S. Constitution. The Government class students will be taking a citizenship test. Geography with the Juniors and Seniors, is working on their Ballard 2038 Urban Planning Project.

Spectacular Science

Mrs. Chambers

Our eighth grade had the privilege of competing with the other schools in our conference this past week to test their science brains. Over the last eight weeks, they have been testing an experiment of their choice using the scientific inquiry process. Students were judged November 30th by members of our community and staff to see which of our eighth graders would go to the next step. Our three winners this year were: Tucker Roach, Lexi Ward, and Alexis Hastings. We reported to Sheldon School on December 7th where the conference Science Fair took place this year. After being interviewed by four judges, the scores were added up to see which of the 24 participants would get the top four spots. Tucker Roach received fourth place!

Title One News

Thanks to the Ballard BOE and PTO, we have the Accelerated Reader program. With this program the teachers can monitor student progress, set goals, and encourage students to read and take comprehension quizzes over the books they have read. Mrs. Ordal, the Title 1 teacher, tracks the number of books read and number of words read for each class. The numbers are posted outside the classrooms of the elementary grades, and the school total of books read is posted at the north entrance of the building. Mrs. Ordal changes these numbers every Friday afternoon. There are two classes that need to be recognized for their progress so far this year. Mrs. West's 2nd grade class has read the most books to date, and that is 244 books. Mrs. Bergen's 5th grade class has read the most words to date, and that is 3,303,474 words. The class with the highest percent of quizzes passed is Ms. Kabir's 3rd grade class with 97%.

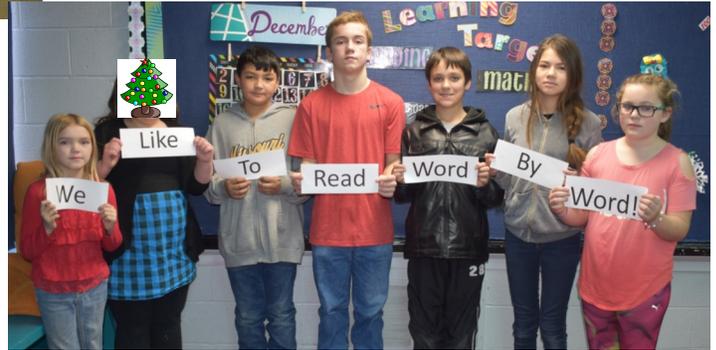

Congratulations to Mrs. West's 2nd grade class for being the class with the most books read since school started.-244 books

Indians take the Win

On November 19th the girls played the Osceola Indians. It was a great game and we fought very hard but were short a few points of the victory. The score was 45-28, Osceola. After the varsity game, the JV played a very good game with many good plays. Unfortunately, we weren't as tough as they were. The score ended up being 23-12, Osceola.

gve Girls Tournament

On Tuesday, November 27, the Lady Bulldogs played Bronaugh in the Golden Valley Varsity Conference. They fought very hard and played well, but the game ended with score 45-23, Bronaugh. Then on Friday, the 30th, they played Miami. We pulled out a win against Miami with the score being 27-23. On Saturday, December 1 the Ballard Lady Bulldogs played Hume. It was a very intense game. We went into over-time with the score being tied at 32, everyone was on the edge of their seats as the game continued on. We went into double over-time with the score tied at 34. We had many injuries and a couple people fouled out. At the end of the game the score was 40-36, Hume. It was a long, hard fight but we went home with one win throughout the week. Congratulations girls for the tough fight.

GVVC Conference Champs!

The Ballard Boys Basketball team started the GVVC Tournament on November 27 at 8:30 squaring off against the Montrose Blue Jays and Ballard was successful in the first match outscoring Montrose 54 to 45. The next match up for the Bulldogs was against the NEVC Knights, where the Bulldogs conquered the Knights 49-23.

Finally what everyone was waiting for... the Championship against the Sheldon Panthers. The Championship was a rematch of the semi-final game last year where Sheldon came out on top.

This year is what the Bulldogs were waiting for, both teams came out hot and wanting to beat the opponent. At half time the Panthers were up 22 to 20, we went in the locker room and listened to coach who said, "Look we are no where near out of this game, but if we want to come out on top then we are going to have to tighten up defense and move the ball better on offense." After a few more words of encouragement the team was ready to play. After a hard fought second half Ballard came out on top 45 to 41, successfully avenging last years' early exit.
